

## POLICING IN ST ALBANS

Crime levels have continued to fall in St Albans and detection rates have improved since 2008/09. This means there are now fewer victims of crime, and where crime does occur, more offenders are being brought to justice.

- The St Albans Crime & Disorder Reduction Partnership (CDRP) has continued to run 'community involvement days' at specified locations to further foster community cohesion. This work has received positive feedback from those involved, and further initiatives are planned for the coming year.
- Working with partners, we have used innovative approaches to reduce night-time crime and disorder in our town centres. These include sending public safety and crime prevention messages directly to individuals' Bluetooth-enabled mobile phones and the distribution of water bottles to young people visiting bars or nightclubs.
- St Albans Business Against Crime (SABAC) now successfully covers the majority of the district and is working with the police and local authorities to extend the already successful CCTV coverage. In particular, SABAC has been coordinating the funding needed to replace the temporary CCTV camera at The Quadrant with two new permanent cameras. Anti-social behaviour in the area has already reduced and it is expected that this initiative will build on this success.
- A joint scheme spearheaded by Hertfordshire Constabulary, St Albans City & District Council and Batchwood Nightclub was awarded the 'Hertfordshire Constabulary Youth Action Award 2008' for prevention and intervention initiatives with young people at the Constabulary's 'Youth Action Conference', for tackling crime and anti-social behaviour at the popular nightclub.
- The number of 'theft from person' offences in the town, particularly on market days, continues to decline and we are consulting partners and developing joint solutions to sustain this reduction.

POLICING IN ST ALBANS

# NATIONAL POLICING PLEDGE

Hertfordshire Constabulary will support law abiding citizens and pursue criminals relentlessly to keep you and your neighbourhoods safe from harm.

Their Pledge is to:

- 1** Always treat you fairly with dignity and respect ensuring you have fair access to our services at a time that is reasonable for you.
- 2** Provide you with information so you know who your dedicated Neighbourhood Policing Team is, where they are based, how to contact them and how to work with them.
- 3** Ensure your Neighbourhood Policing Team and other police patrols are visible and on your patch at times when they will be most effective and when you tell us you most need them. We will ensure your team is not taken away from neighbourhood business more than is absolutely necessary. They will spend at least 80% of their time visibly working in your neighbourhood, tackling your priorities. Staff turnover will be minimised.
- 4** Respond to every message directed to your Neighbourhood Policing Team within 24 hours and, where necessary, provide a more detailed response as soon as we can.
- 5** Aim to answer 999 calls within 10 seconds, deploying to emergencies immediately giving an estimated time of arrival, getting to you safely, and as quickly as possible. We will aim to get to you within 15 minutes.
- 6** Answer all non-emergency calls promptly. If attendance is needed, send a patrol giving you an estimated time of arrival and:
  - If you are vulnerable or upset, aim to be with you within 60 minutes.

- If you are calling about an issue that we have agreed with your community will be a neighbourhood priority and attendance is required, we will aim to be with you within 60 minutes.
- Alternatively, if appropriate, we will make an appointment to see you at a time that fits in with your life and within 48 hours.
- If agreed that attendance is not necessary we will give you advice, answer your questions and/or put you in touch with someone who can help.

- 7** Arrange regular public meetings to agree your priorities, at least once a month, giving you a chance to meet your local team with other members of your community. These will include opportunities such as surgeries, street briefings and mobile police station visits which will be arranged to meet local needs and requirements.
- 8** Provide monthly updates on progress, and on local crime and policing issues. This will include the provision of crime maps, information on specific crimes and what happened to those brought to justice, details of what action we and our partners are taking to make your neighbourhood safer and information on how your force is performing.
- 9** If you have been a victim of crime, agree with you how often you would like to be kept informed of progress in your case and for how long. You have the right to be kept informed at least every month if you wish and for as long as is reasonable.
- 10** Acknowledge any dissatisfaction with the service you have received within 24 hours of reporting it to us. To help us fully resolve the matter, discuss with you how it will be handled, give you an opportunity to talk in person to someone about your concerns and agree with you what will be done about them and how quickly.

# THE COST OF POLICING IN HERTFORDSHIRE

The Authority has to balance its commitment to high quality policing with the need to keep the cost to you as low as possible. Much of our funding comes from Government grants, but the formula used to allocate the money has left Hertfordshire with a shortfall of £3.7m.

We have, therefore, increased Council Tax by an extra 12p a week (4.5%), which means someone living in a Band D property will pay £142.82 (£2.75 a week) – well below the national average for shire forces. We will also be making £2.9m efficiency savings and using a further £1.9m from our reserves.

Our total spend will be £184.9m, a rise of £6.7m, with nationally agreed pay increases accounting for two thirds of this amount - we have 4,079 officers and staff and spend more money on frontline policing than many other forces. We will also invest £0.9m in priority areas, such as services to protect vulnerable people, staffing for our new custody facilities and training and support for additional Special Constables.
